Vegetarian Menu Guide

IHOP defines vegetarian as a menu item that may contain dairy, eggs, and honey but does not contain beef, poultry, pork, or seafood. In addition, IHOP's vegetarian menu items do not contain animal sourced gelatin, flavors, colors, or enzymes. Because we have multiple sources of animal products in our shared cooking and prep areas, including common fryer oil, we are unable to guarantee that any menu item be completely free of animal products. Limited time offers, regional items, test items, or temporary substitutions may not be included.
